

Thing-a-ma-JIG 40 & 60

Thing-a-ma-JIG 40 \$265.00

Thing-a-ma-JIG 60 \$236.57

www.doorgadgets.com

These innovative jigs are highly accurate and easy to use – designed to simplify the installation of Adams Rite dead-latch strikes commonly used on aluminum door frames.

Requires proficiency in the use of a high speed router.

For quick setup and positioning, use the Precision Fit 40/60 Jig Locator Plate, available from www.doorgadgets.com. A combination square may also be used to calculate the correct jig position.
