

Precision Fit Jig Series

Locator Plates

40/60 Locator Plate

Jig Series Plates:

40/60 Jig Locator for
Adams Rite 4901 & 4902
strikes

\$33.40

Fast....

Accurate...

**No measuring needed
to locate Adams Rite strikes!**

Jig Series Locator Plate is used in conjunction with the Thing-a-ma-JIG 40 & 60 to create the prep for installation of Adams Rite 4901 & 4902 strikes using a router to create the opening.

**Precision Fit Holders and
Thing-a-ma-JIGs sold separately.**
